

Dear Friend:

Each year the International Institute of Connecticut, Inc., a non-profit non-sectarian social service agency which helps new Americans in transition assists 7,000+ individuals throughout the State of Connecticut.

- Individuals needing Immigration, Citizenship and Immigration Court Representation are helped at our main office in Bridgeport and at our Satellite offices in Hartford and Stamford.
- Individuals, businesses, and other organizations needing Translation and/or Interpreter Services are also helped with these issues in forty (40) different languages.
- Refugees and asylees are resettled and assisted with their housing, transportation, ESL, and employment needs and are made self-sufficient.
- Victims of Human Trafficking are informed of their rights. They are also helped to access the services that they need to be self sufficient.

We ask you to consider a Membership Contribution to our agency. Please help us in our efforts to keep our fees nominal. Due to recent reductions in funding by government and other grantors, the International Institute of Connecticut needs your support to maintain our work more than ever.

For more information on International Institute please visit our website [www.iiconn.org](http://www.iiconn.org).

Your Membership Contribution is tax deductible and no contribution is considered too small.

Thank you in advance for your support in response to this request.
